

## INDEX

## VOLUME 34

## INDEX TO SCIENTIFIC PAPERS — 1983

## SUBJECT INDEX BY SYSTEMS

## Abdominal Mass

- Antegrade pyelography in ureteric duplications with obstructed upper segments, (Macpherson, Kaufman), 282

## Acetabulum

- Cross-sectional anatomy of the adult bony acetabulum, (Rubenstein, Kellam, McGonigal), 16
- Acetabular fracture assessment with computerized tomography, (Rubenstein, Kellam, McGonigal), 19

## Acute Leukemia

- Second malignancy complicating Hodgkin's disease, (Tawil, Mercier), 108

## Adrenal Imaging

- <sup>131</sup>I-iodocholesterol (NP-59) scintigraphy in adrenocortical diseases, (Taillefer, Soucy, Eybalin, Levasseur), 120

## Air-Fluid Levels

- Fluid-level motion artifact in computed tomography, (Scott, Payne, Pinstein), 294

## Aldosterone-Producing Adenomas

- <sup>131</sup>I-iodocholesterol (NP-59) scintigraphy in adrenocortical diseases, (Taillefer, Soucy, Eybalin, Levasseur), 120

## Anatomy

- Cross-sectional anatomy of the adult bony acetabulum, (Rubenstein, Kellam, McGonigal), 16

## Aneurysm

- Subselective embolization for non-neoplastic conditions of the kidney, (Morris, Cruz, Culham), 103

## Angiography

- Digital angiography: current status, (Robillard, Roy, Garland, Sylvestre), 95
- Angiography in the diagnosis and treatment of trauma, (Saibil, Maggisano, Witchell), 218
- Urinary tract trauma, (Campbell), 237
- Arteriography in catheter-induced rupture of the pulmonary artery, (Hamilton, Thompson, Jamieson, Turnbull), 326

## Angioplasty

- Digital subtraction arteriography (DSA) in re-evaluation of angioplasties, (Campbell, Mason, Flemming, Fraser), 258

## Antegrade Pyelography

- Antegrade pyelography in ureteric duplications with obstructed upper segments, (Macpherson, Kaufman), 282

## Aortic Rupture

- The radiology of blunt chest trauma, (Shulman, Samuels), 204

## Appendicitis

- Ultrasonic demonstration of appendicolith, (Forel, Filiault, Grignon), 66

## Appendicoliths

- Ultrasonic demonstration of appendicolith, (Forel, Filiault, Grignon), 66

## Appendix

- Diverticulosis of the vermiform appendix, (Vickar, Stein), 68

## Arterial Embolisation

- Angiography in the diagnosis and treatment of trauma, (Saibil, Maggisano, Witchell), 218

## Arterial Injury

- Angiography in the diagnosis and treatment of trauma, (Saibil, Maggisano, Witchell), 218

## Arteriography

- Digital angiography: current status, (Robillard, Roy, Garland, Sylvestre), 95
- Arteriography in catheter-induced rupture of the pulmonary artery, (Hamilton, Thompson, Jamieson, Turnbull), 326

## Arteriovenous Malformation

- Subselective embolization for non-neoplastic conditions of the kidney, (Morris, Cruz, Culham), 103

## Asbestosis

- Calcification in a pleural mesothelioma, (Nichols, Johnson), 311

## Atheroma

- Digital subtraction arteriography (DSA) in re-evaluation of angioplasties, (Campbell, Mason, Flemming, Fraser), 258

## Atypical Pneumonia

- Radiographic analysis of the course of Legionella, pneumonia, (Lo, MacKeen, Campbell, Fraser, Marrie), 116

## Avascular Necrosis

- Avascular necrosis of the hip in the sickle cell hemoglobinopathies, (Sebes, Kraus), 136

## Barium Examinations

- Gastroparesis diabeticorum, (Cho, Turner, Henry), 32
- Bowel displacement due to psoas muscle hypertrophy, (Duprat Jr., Lévesque, Séguin, Nemech, Sylvestre), 64
- Diverticulosis of the vermiform appendix, (Vickar, Stein), 68
- Colitis cystica profunda, (Miller, O'Malley, Richmond), 70
- Hamartoma of Brunner's gland causing partial obstruction of the ileum, (Henken, Forouhar), 73
- Pseudosarcoma of the esophagus: barium swallow and CT findings, (Halvorsen, Foster, Williford, Roberts Jr., Postlethwait, Thompson), 278
- Distribution of gastric ulcers by double contrast barium meal with endoscopic correlation, 296
- Symptomatic inverted Meckel's diverticulum: case report, (Silver, Demos), 314
- Opportunistic gastritis in graft-versus-host disease, (Hochhauser, Thompson, Somers), 316

## Bone

- The disparate diameter — a sign of rotational deformity in fractures, (Naimark, Kossoff, Leach), 8
- Aspect scintigraphique de l'hyperostose corticale infantile (Maladie de Caffey), (Taillefer, Danais, Marton), 12
- Optimal radiography of the acutely injured shoulder, (Flinn, MacMillan Jr., Campbell, Fraser), 128
- Avascular necrosis of the hip in the sickle cell hemoglobinopathies, (Sebes, Kraus), 136

## Bone Diameter

- The disparate diameter — a sign of rotational deformity in fractures, (Naimark, Kossoff, Leach), 8

## Bowel Complications

- Opportunistic gastritis in graft-versus-host disease, (Hochhauser, Thompson, Somers), 316

## Bowel Displacement

- Bowel displacement due to psoas muscle hypertrophy, (Duprat Jr., Lévesque, Séguin, Nemech, Sylvestre), 64

## Breast

- Breast light scanning: a real-time breast-imaging modality, (McIntosh), 288

## Breast Cancer

- Breast light scanning: a real-time breast-imaging modality, (McIntosh), 288

## Brunner's Gland

- Hamartoma of Brunner's gland causing partial obstruction of the ileum, (Henken, Forouhar), 73

## Burkitt's Lymphoma

- Danger of urography in hyperuricemic children with Burkitt's lymphoma, (Mandell, Swacus, Rosenstock, Buck), 273

## Burn Complications

- Pulmonary complications in burn patients, (Teixidor, Novick, Rubin), 264

## INDEX

## VOLUME 34

## INDEX TO SCIENTIFIC PAPERS — 1983

## SUBJECT INDEX BY SYSTEMS

## Abdominal Mass

- Antegrade pyelography in ureteric duplications with obstructed upper segments, (Macpherson, Kaufman), 282

## Acetabulum

- Cross-sectional anatomy of the adult bony acetabulum, (Rubenstein, Kellam, McGonigal), 16
- Acetabular fracture assessment with computerized tomography, (Rubenstein, Kellam, McGonigal), 19

## Avascular Necrosis

- Avascular necrosis of the hip in the sickle cell hemoglobinopathies, (Sebes, Kraus), 136

## Barium Examinations

- Gastroparesis diabeticorum, (Cho, Turner, Henry), 32
- Bowel displacement due to psoas muscle hypertrophy, (Duprat Jr., Lévesque, Séguin, Nemech, Sylvestre), 64
- Diverticulosis of the vermiform appendix, (Vickar, Stein), 68
- Colitis cystica profunda, (Miller, O'Malley, Richmond), 70
- Hamartoma of Brunner's gland causing partial obstruction of the ileum, (Henken, Forouhar), 73
- Pseudosarcoma of the esophagus: barium swallow and CT findings, (Halvorsen, Foster, Williford, Roberts Jr., Postlethwait, Thompson), 278
- Distribution of gastric ulcers by double contrast barium meal with endoscopic correlation, 296
- Symptomatic inverted Meckel's diverticulum: case report, (Silver, Demos), 314
- Opportunistic gastritis in graft-versus-host disease, (Hochhauser, Thompson, Somers), 316

## Bone

- The disparate diameter — a sign of rotational deformity in fractures, (Naimark, Kossoff, Leach), 8
- Aspect scintigraphique de l'hyperostose corticale infantile (Maladie de Caffey), (Taillefer, Danais, Marton), 12
- Optimal radiography of the acutely injured shoulder, (Flinn, MacMillan Jr., Campbell, Fraser), 128
- Avascular necrosis of the hip in the sickle cell hemoglobinopathies, (Sebes, Kraus), 136

## Bone Diameter

- The disparate diameter — a sign of rotational deformity in fractures, (Naimark, Kossoff, Leach), 8

## Bowel Complications

- Opportunistic gastritis in graft-versus-host disease, (Hochhauser, Thompson, Somers), 316

## Bowel Displacement

- Bowel displacement due to psoas muscle hypertrophy, (Duprat Jr., Lévesque, Séguin, Nemech, Sylvestre), 64

## Breast

- Breast light scanning: a real-time breast-imaging modality, (McIntosh), 288

## Breast Cancer

- Breast light scanning: a real-time breast-imaging modality, (McIntosh), 288

## Brunner's Gland

- Hamartoma of Brunner's gland causing partial obstruction of the ileum, (Henken, Forouhar), 73

## Burkitt's Lymphoma

- Danger of urography in hyperuricemic children with Burkitt's lymphoma, (Mandell, Swacus, Rosenstock, Buck), 273

## Burn Complications

- Pulmonary complications in burn patients, (Teixidor, Novick, Rubin), 264

#### Calcification

- Calcification in a pleural mesothelioma, (Nichols, Johnson), 311

#### Calculi

- The non-visualized gallbladder by ultrasonography implications and differential diagnosis, (Hutton, Lamki, Ranklin), 140

#### Carcinoma

- Intracavitary radiation for rectal carcinoma, (Basrur, Knight), 42
- Computed tomography in staging primary uterine cervical carcinoma, (Poon), 99

#### Cerebral Angiography

- CT of the cranium in head injury, (Cooper, Kassel), 167

#### Chemotherapy

- Second malignancy complicating Hodgkin's disease, (Tawil, Mercier), 108

#### Chest

- Intragenic lesions of the upper airway in the newborn, (Dumas, Patriquin, Paré, Tétreault), 3
- Computed tomographic diagnosis of a pedunculated fibrous mesothelioma, (Weisbrod, Yee), 147

#### Chest Radiographs

- Pulmonary complications in burn patients, (Teixidor, Novick, Rubin), 264
- Pitfalls to avoid: a chest mass in a tachypneic child (Patriquin), 301

#### Chest Trauma

- The radiology of blunt chest trauma, (Shulman, Samuels), 204

#### Child

- Pitfalls to avoid: a chest mass in a tachypneic child (Patriquin), 301

#### Cholecystitis

- Imaging in the diagnosis of cholecystocutaneous fistulae, (Ulreich, Henken, Levinson), 39

#### Cholecystocutaneous

- Imaging in the diagnosis of cholecystocutaneous fistulae, (Ulreich, Henken, Levinson), 39

#### Cholecystography

- "Micro-gallbladder" — a clue to cystic fibrosis, (Kramer, Karasick, Karasick), 271

#### Colitis Cystica Profunda

- Colitis cystica profunda, (Miller, O'Malley, Richmond), 70

#### Colon

- Use of contrast through a fiberoptic colonoscope for demonstration of a colonic stricture, (Flak, Freeman, Masterson), 62

#### Colonoscopy

- Use of contrast through a fiberoptic colonoscope for demonstration of a colonic stricture, (Flak, Freeman, Masterson), 62

#### Computed Tomography

- Acetabular fracture assessment with computerized tomography, (Rubenstein, Kellam, McGonigal), 19
- Ilio-psoas abscess in Crohn's disease, (Gray, St. Louis, Grosman, Newman), 36
- CT findings in postpartum renal cortical necrosis, (Laupacis, Ulan, Rankin, Stiller, Keown), 53
- Postoperative residual ovary syndrome: an uncommon cause of pelvic mass, (Gray, St. Louis, Grosman, Elliott, Au), 56
- Computed tomography in staging primary uterine cervical carcinoma, (Poon), 99
- Computed tomographic diagnosis of a pedunculated fibrous mesothelioma, (Weisbrod, Yee), 147
- CT of the cranium in head injury, (Cooper, Kassel), 167
- Radiologic studies of facial trauma associated with a regional trauma centre, (Kassel, Cooper), 178
- Radiology of spinal trauma — practical experience in a trauma unit, (Kassel, Cooper, Rubenstein), 189
- Radiographic assessment of pelvic trauma, (Rubenstein), 228
- Urinary tract trauma, (Campbell), 237

- Pseudosarcoma of the esophagus: barium swallow and CT findings, (Halvorsen, Foster, Williford, Roberts Jr, Postlethwaith, Thompson), 278

- Fluid-level motion artifact in computed tomography, (Scott, Payne, Pinstein), 294

- Retroperitoneal pseudolymphadenopathy, (Thompson, Jackson, Pirani), 286

- Calcification in a pleural mesothelioma, (Nichols, Johnson), 311

- Retrorenal gallbladder. A case report, (Ehman, Morrish), 321

- The physics of x-ray CT — a self-assessment review guide, (Seeram, Battista), 335

#### Congenital Anomaly

- Metrizamide myelography in conjoined lumbosacral nerve roots, (Coughlin, Miller), 23

- Antegrade pyelography in ureteric duplication with obstructed upper segments, (Maspherson, Kaufman), 282

- Congenital lobar emphysema with tracheal bronchus, (Keller), 306

- Retrohepatic gallbladder, diagnosed by sonography and scintigraphy, (Greaves, Nguyen, Sauerbrei), 319

#### Congenital Heart Disease

- Congenital lobar emphysema with tracheal bronchus, (Keller), 306

#### Congenital Lobar Emphysema

- Congenital lobar emphysema with tracheal bronchus, (Keller), 306

#### Crohn's Disease

- Ilio-psoas abscess in Crohn's disease, (Gray, St. Louis, Grosman, Newman), 36

#### Cross-Sectional Anatomy

- Cross-sectional anatomy of the adult bony acetabulum, (Rubenstein, Kellam, McGonigal), 16

#### Cushing's Syndrome

- <sup>131</sup>I-iodocholesterol (NP-59) scintigraphy in adrenocortical diseases, (Taillefer, Soucy, Eybalin, Levasseur), 120

#### Cyst

- Cystic hamartoma of the lung, (Demos, Armin, Chandrasekhar, Barron), 149

#### Cystic Fibrosis

- "Micro-gallbladder" — a clue to cystic fibrosis, (Kramer, Karasick, Karasick), 271

#### Cystic Ovarian Teratoma

- Acute rupture of a cystic ovarian teratoma complicating premature labor, (Longmaid III, Braver, Christian, Genest), 59

#### Cytomegalovirus Infection

- Opportunistic gastritis in graft-versus-host disease, (Hochhauser, Thompson, Somers), 316

#### Diaphanography

- Breast light scanning: a real-time breast-imaging modality, (McIntosh), 288

#### Diaphragmatic Rupture

- The radiology of blunt chest trauma, (Shulman, Samuels), 204

#### Digital Arteriography

- Digital angiography: current status, (Robillard, Roy, Garland, Sylvestre), 95

- Digital subtraction arteriography (DSA) in re-evaluation of angioplasties, (Campbell, Mason, Flemming, Fraser), 258

- Digital subtraction arteriography in the diagnosis of renovascular hypertension, (Campbell, Mason, Flemming, Fraser), 261

#### Discography

- Lumbar discography — a dissenting opinion, (Fox), 88
- The authors' reply, (Milette), 89

#### Disordered Motility

- Gastroparesis diabeticorum, (Cho, Turner, Henry), 32

#### Diverticulosis

- Diverticulosis of the vermiform appendix, (Vickar, Stein), 68

#### Dose Equivalent

- Sievert, Gray and dose equivalent, (Pfalzner), 298

**Double Contrast Barium Examination**

- Colitis cystica profunda, (Miller, O'Malley, Richmond), 70
- Distribution of gastric ulcers by double contrast barium meal with endoscopic correlation, 296

**Dracunculosis**

- Dracunculose ou filariose de Médine. A propos de deux cas, (Azouz, Jean), 308

**Duodenal Obstruction**

- Renal calculus ileus, (Jones), 51

**Duplication of the Ureter**

- Antegrade pyelography in ureteric duplications with obstructed upper segments, (Macpherson, Kaufman), 282

**Dermoid Cyst**

- Acute rupture of a cystic ovarian teratoma complicating premature labor, (Longmaid III, Braver, Christian, Genest), 59

**Diabetes Mellitus**

- Gastroparesis diabeticorum, (Cho, Turner, Henry), 32

**Echography**

- Echographic demonstration of an oncocytoma, (Lafortune, Breton), 144

**Editorial**

- Trauma centre — a radiological perspective, (Campbell), 161
- International symposium on the impact of new imaging technology, (MacEwan), 256

**Education**

- Undergraduate radiology clerkship: the Université de Montréal program, (Dussault, Raymond-Tremblay, Lafortune, Saint-Georges, Beauchamps, Perreault, Saltiel), 133

**Embolization**

- Subselective embolization for non-neoplastic conditions of the kidney, (Morris, Cruz, Culham), 103

**Emergency Radiology**

- Acetabular fracture assessment with computerized tomography, Rubenstein, Kellam, McGonigal), 19
- Optimal radiography of the acutely injured shoulder, (Flinn, MacMillan Jr., Campbell, Fraser), 128
- Trauma centre — a radiological perspective, (Campbell), 161
- A trauma centre — what is involved, (McMurtry, Nelson), 163
- CT of the cranium in head injury, (Cooper, Kassel), 167
- Radiologic studies of facial trauma associated with a regional trauma centre, (Kassel, Cooper), 178
- Radiology of spinal trauma — practical experience in a trauma unit, (Kassel, Cooper, Rubenstein), 189
- The radiology of blunt chest trauma (Shulman, Samuels), 204
- Angiography in the diagnosis and treatment of trauma, (Saibil, Maggisano, Witchell), 218
- Radiographic assessment of pelvic trauma (Rubenstein), 228
- Urinary tract trauma, (Campbell), 237

**Endoscopic Correlation**

- Distribution of gastric ulcers by double contrast barium meal with endoscopic correlation, 296

**Endotracheal Intubation**

- Iatrogenic lesions of the upper airway in the newborn, (Dumas, Patriquin, Paré, Tétrault), 3

**Enteric Organisms**

- Ilio-psoas abscess in Crohn's disease, (Gray, St. Louis, Grosman, Newman), 36

**Enterogenous Cyst**

- Neonatal ileocolic intussusception with enterogenous cyst: ultrasonic diagnosis, (Pandher, Sauerbrei), 328

**Esophagus**

- Pseudosarcoma of the esophagus: barium swallow and CT findings, (Halvorsen, Foster, Williford, Roberts Jr., Postlethwait, Thompson), 278

**Examination**

- Optional radiography of the acutely injured shoulder, (Flinn, MacMillan Jr., Campbell, Fraser), 128

**Extremities**

- Gravity large field phlebography of the limbs, (Roy, Robillard, Fontaine, Galand), 90

**Facial Trauma**

- Radiologic studies of facial trauma associated with a regional trauma centre, (Kassel, Cooper), 178

**Fatty Infiltration**

- Pitfalls in ultrasonographic diagnosis with fatty infiltration of the liver, (Hutton, Rankin), 303

**Femoral Head**

- Avascular necrosis of the hip in the sickle cell hemoglobinopathies, (Sebes, Kraus), 136

**Fibrous Mesothelioma**

- Computed tomographic diagnosis of a pedunculated fibrous mesothelioma, (Weisbrod, Yee), 147

**Fistula**

- Imaging in the diagnosis of cholecystocutaneous fistulae, (Ulreich, Henken, Levinson), 39
- Renal calculus ileus, (Jones), 51

**Fluoroscopy**

- Hamartoma of Brunner's gland causing partial obstruction of the ileum, (Henken, Forouhar), 73

**Forearm**

- The disparate diameter — a sign of rotational deformity in fractures, (Naimark, Kossoff, Leach), 8

**Fractural Deformity**

- The disparate diameter — a sign of rotational deformity in fractures, (Naimark, Kossoff, Leach), 8

**Fractures**

- The disparate diameter — a sign of rotational deformity in fractures (Naimark, Kossoff, Leach), 8
- Acetabular fracture assessment with computerized tomography, (Rubenstein, Kellam, McGonigal), 19
- Radiographic assessment of pelvic trauma, (Rubenstein), 228

**Gallbladder**

- Imaging in the diagnosis of cholecystocutaneous fistulae, (Ulreich, Henken, Levinson), 39
- The non-visualized gallbladder by ultrasonography implications and differential diagnosis, (Hutton, Lamki, Rankin), 140
- "Micro-gallbladder" — a clue to cystic fibrosis, (Kramer, Karasick, Karasick), 271
- Retrohepatic gallbladder diagnosed by sonography and scintigraphy, (Greaves, Nguyen, Sauerbrei), 319
- Rotterrenal gallbladder. A case report, (Ehman, Morrish), 321

**Gastric Ulcers**

- Distribution of gastric ulcers by double contrast barium meal with endoscopic correlation, 296

**Graft-Versus-Host Disease**

- Opportunistic gastritis in graft-versus-host disease, (Hochhauser, Thompson, Somers), 316

**Gray**

- Sievert, Gray and dose equivalent, (Pfalzner), 298

**Hairy Cell Leukemia**

- Polyarteritis nodosa in hairy cell leukemia, (Thorwarth Jr., Jaques, Orringer), 151

**Hamartoma**

- Hamartoma of Brunner's gland causing partial obstruction of the ileum, (Henken, Forouhar), 73
- Cystic hamartoma of the lung, (Demos, Armin, Chandrasekhar, Barron), 149

**Head Injury**

- CT of the cranium in head injury, (Cooper, Kassel), 167

**Hemiplegia**

- Unilateral rheumatoid arthritis in hemiplegia, (Hamilton), 49

**Hemoglobinopathy**

- Avascular necrosis of the hip in the sickle cell hemoglobinopathies, (Sebes, Kraus), 136

# **Hemorrhage**

- Subselective embolization for non-neoplastic conditions of the kidney, (Morris, Cruz, Culham), 103
- Cystic hamartoma of the lung, (Demos, Armin, Chandrasekhar, Barron), 149

# **Hodgkin's Disease**

- Second malignancy complicating Hodgkin's disease, (Tawil, Mercier), 108

# **Hydronephrosis**

- Ultrasonographic assessment of hydronephrosis of pregnancy (Anderson, Jones, Standen), 29
- Antegrade pyelography in ureteric duplications with obstructed upper segments, (Macpherson, Kaufman), 282

# **Iatrogenesis**

- Abnormal biodistribution of radiogallium in persons treated with phenytoin, (Lentle, Starreveld, Catz, Penney, Turner), 114

# **Iatrogenic Complications**

- Iatrogenic lesions of the upper airway in the newborn, (Dumas, Patriquin, Paré, Tétrault), 3

- Clinical utility of knee arthrography, (Braunstein, Matthews, Kaplan, Martel), 125

# **Mesothelioma — Malignant**

- Calcification in a pleural mesothelioma, (Nichols, Johnson), 311

#### Microaneurysms

- Polyarteritis nodosa in hairy cell leukemia, (Thorwarth Jr., Jaques, Orringer), 151

#### Muscular Hypertrophy

- Bowel displacement due to psoas muscle hypertrophy, (Duprat Jr., Lévesque, Séguin, Nemech, Sylvestre), 64

#### Myelography

- Metrizamide, myelography in conjoined lumbosacral nerve roots, (Coughlin, Miller), 23
- Radiology of spinal trauma — practical experience in a trauma unit, (Kassel, Cooper, Rubenstein), 189

#### Neoplasm Staging

- Computed tomography in staging primary uterine cervical carcinoma, (Poon), 99

#### Nephropathy

- Danger of urography in hyperuricemic children with Burkitt's lymphoma, (Mandell, Swacus, Rosenstock, Buck), 273

#### Nerve Roots

- Metrizamide myelography in conjoined lumbosacral nerve roots, (Coughlin, Miller), 23

#### Neural Sheath Tumors

- Unusual presentations of benign intrathoracic neurogenic tumors, (Hutton), 26

#### Neurofibroma

- Unusual presentations of benign intrathoracic neurogenic tumors, (Hutton), 26

#### Newborn

- Iatrogenic lesions of the upper airway in the newborn, (Dumas, Patriquin, Paré, Tétreault), 3

#### Nuclear Medicine

- Aspect scintigraphique de l'hyperostose corticale infantile (Maladie de Caffey), (Taillefer, Danais, Marton), 12
- <sup>131</sup>I-iodocholesterol (NP-59) scintigraphy in adrenocortical diseases, (Taillefer, Soucy, Eybalin, Levasseur), 120
- Undergraduate radiology clerkship: the Université de Montréal program, (Dussault, Raymond-Tremblay, Lafortune, Saint-Georges, Beauchamps, Perreault, Saltiel), 133

#### Obstetrical Complication

- Acute rupture of a cystic ovarian teratoma complicating premature labor, (Longmaid III, Braver, Christian, Genest), 59

#### Oncocytoma

- Echographic demonstration of an oncocytoma, (Lafortune, Breton), 144

#### Organization

- Trauma centre — a radiological perspective, (Campbell), 161

#### Panniculus

- The puckered panniculus — a sign of previous surgery, (Bray), 75

#### Paranasal Sphenoidal Sinus

- Patterns of pneumatization and septation of the sphenoidal sinus, (Banna, Olutola), 291

#### Parasitic Calcification

- Dracunculose ou filariose de Médine. A propos de deux cas. (Azouz, Jean), 308

#### Pelvic Mass

- Postoperative residual ovary syndrome: an uncommon cause of pelvic mass, (Gray, St. Louis, Grosman, Elliott, Au), 56
- Antegrade pyelography in ureteric duplications with obstructed upper segments, (Macpherson, Kaufman), 282

#### Pelvis

- Postoperative residual ovary syndrome: an uncommon cause of pelvic mass, (Gray, St. Louis, Grosman, Elliott, Au), 56
- Radiographic assessment of pelvic trauma, (Rubenstein), 228

#### Phenytoin

- Abnormal biodistribution of radiogallium in persons treated with phenytoin, (Lentle, Starreveld, Catz, Penney, Turner), 114

#### Phlebography

- Gravity large field phlebography of the limbs, (Roy, Robillard, Fontaine, Galand), 90

#### Physical Quantities and Units

- Sievert, Gray and dose equivalent, (Pfalzner), 298

#### Physics

- The physics of x-ray CT — a self-assessment review guide, (Seeram, Battista), 335

#### Pituitary Fossa

- Patterns of pneumatization and septation of the sphenoidal sinus, (Banna, Olutola), 291

#### Pleura

- Computed tomographic diagnosis of a pedunculated fibrous mesothelioma, (Weisbrod, Yee), 147

#### Polyarteritis Nodosa

- Polyarteritis nodosa in hairy cell leukemia, (Thorwarth Jr., Jaques, Orringer), 151

#### Pregnancy

- Ultrasonographic assessment of hydronephrosis of pregnancy, (Anderson, Jones, Standen), 29

#### Prosthesis

- Avascular necrosis of the hip in the sickle cell hemoglobinopathies, (Sebes, Kraus), 136

#### Pseudosarcoma

- Pseudosarcoma of the esophagus: barium swallow and CT findings, (Halvorsen, Foster, Williford, Roberts Jr., Postlethwait, Thompson), 278

#### Psoas Abscess

- Ilio-psoas abscess in Crohn's disease, (Gray, St. Louis, Groeman, Newman), 36

#### Pulmonary Artery Rupture

- Arteriography in catheter-induced rupture of the pulmonary artery, (Hamilton, Thompson, Jamieson, Turnbull), 326

#### Radiation Protection

- New publications of the international commission on radiological protection (ICRP), (Sowby), 143

#### Radiogallium

- Abnormal biodistribution of radiogallium in persons treated with phenytoin, (Lentle, Starreveld, Catz, Penney, Turner), 114
- Aspect scintigraphique de l'hyperostose corticale infantile (Maladie de Caffey), (Taillefer, Danais, Marton), 12

#### Radiographic Changes

- Unilateral rheumatoid arthritis in hemiplegia, (Hamilton), 49

#### Radiographic Film

- Speeds of film-screen combinations for radiography, (Holloway, Cheng, Paix), 331

#### Radiographs

- Calcification in a pleural mesothelioma, (Nichols, Johnson), 311

#### Radiography

- Optimal radiography of the acutely injured shoulder, (Flinn, MacMillan Jr., Campbell, Fraser), 128
- Radiologic studies of facial trauma associated with a regional trauma centre, (Kassel, Cooper), 178
- Radiology of spinal trauma — practical experience in a trauma unit, (Kassel, Cooper, Rubenstein), 189
- Radiographic assessment of pelvic trauma, (Rubenstein), 228
- Dracunculose ou filariose de Médine. A propos de deux cas, (Azouz, Jean), 308

#### Radiologists

- Undergraduate radiology clerkship: the Université de Montréal program, (Dussault, Raymond-Tremblay, Lafortune, Saint-Georges, Beauchamps, Perreault, Saltiel), 133

#### Radiology

- Undergraduate radiology clerkship: the Université de Montréal program, (Dussault, Raymond-Tremblay, Lafortune, Saint-Georges, Beauchamps, Perreault, Saltiel), 133

# **Radiotherapy**

- Intracavitary radiation for rectal carcinoma, (Basrur, Knight), 42
- Second malignancy complicating Hodgkin's disease (Tawil, Mercier), 108

# **Reciprocity Law Failure**

- Speeds of film-screen combinations for radiography, (Holloway, Cheng, Paix), 331

# **Rectum**

- Intracavitary radiation for rectal carcinoma, (Basrur, Knight), 42
- Colitis cystica profunda, (Miller, O'Malley, Richmond), 70

# **Renal Angiography**

- Subselective embolization for non-neoplastic conditions of the kidney, (Morris, Cruz, Culham), 103

# **Renal Calculus**

- Renal calculus ileus, (Jones), 51

# **Renal Cortical Necrosis**

- CT findings in postpartum renal cortical necrosis, (Laupacis, Ulan, Rankin, Stiller, Keown), 53

# **Renal Failure**

- CT findings in postpartum renal cortical necrosis, (Laupacis, Ulan, Rankin, Stiller, Keown), 53

# **Renal Trauma**

- Urinary tract trauma, (Campbell), 237

# **Renovascular Hypertension**

- Digital subtraction arteriography in the diagnosis of renovascular hypertension, (Campbell, Mason, Flemming, Fraser), 261

# **Residual Ovary**

- Postoperative residual ovary syndrome: an uncommon cause of pelvic mass, (Gray, St. Louis, Grosman, Elliott, Au), 56

# **Respiratory Motion Artifact**

- Fluid-level motion artifact in computed tomography, (Scott, Payne, Pinstein), 294

# **Respiratory Tract**

- Pulmonary complications in burn patients, (Teixidor, Novick, Rubin), 264

# **Retrohepatic Gallbladder**

- Retrohepatic gallbladder diagnosed by sonography and scintigraphy, (Greaves, Nguyen, Sauerbrei), 319

# **Retroperitoneal Pseudolymphadenopathy**

- Retroperitoneal pseudolymphadenopathy, (Thompson, Jackson, Pirani), 286

# **Rheumatoid Arthritis**

- Unilateral rheumatoid arthritis in hemiplegia, (Hamilton), 49

# **Rupture**

- Acute rupture of a cystic ovarian teratoma complicating premature labor, (Lengmaid III, Braver, Christian, Genest), 59

# **Sear**

- The puckered panniculus — a sign of previous surgery, (Bray), 75

# **Schwannoma**

- Unusual presentations of benign intrathoracic neurogenic tumors, (Hutton), 26

# **Scoliosis**

- Retrorenal gallbladder. A case report, (Ehman, Morrish), 321

# **Screening**

- Breast light scanning: a real-time breast-imaging modality, (McIntosh), 288

# **Screens**

- Speeds of film-screen combinations for radiography, (Holloway, Cheng, Paix), 331

# **Second Malignancy**

- Second malignancy complicating Hodgkin's disease, (Tawil, Mercier), 108

# **Self-Assessment**

- The physics of x-ray CT — a self-assessment review guide, (Seeram, Battista), 335

# **Shoulder**

- Optimal radiography of the acutely injured shoulder, (Flinn, MacMillan Jr., Campbell, Fraser), 128

# **Sickle Cell Disease**

- Avascular necrosis of the hip in the sickle cell hemoglobinopathies, (Sebes, Kraus), 136

# **Sievert**

- Sievert, Gray and dose equivalent, (Pfalzner), 298

# **SI Units**

- Sievert, Gray and dose equivalent, (Pfalzner), 298

# **Small and Large Bowel**

- Bowel displacement due to psoas muscle hypertrophy, (Duprat Jr., Lévesque, Séguin, Nemech, Sylvestre), 64

# **Small Bowel**

- Gastroparesis diabetorum, (Cho, Turner, Henry), 32
- Symptomatic inverted Meckel's diverticulum: case report, (Silver, Demos), 314

# **Smoke Inhalation**

- Pulmonary complications in burn patients, (Teixidor, Novick, Rubin), 264

# **Soft Tissue Calcification**

- Dracunculose ou filariose de Médine. A propos de deux cas, (Azouz, Jean), 308

# **Solid Tumor**

- Second malignancy complicating Hodgkin's disease, (Tawil, Mercier), 108

# **Speed**

- Speeds of film-screen combinations for radiography, (Holloway, Cheng, Paix) 331

# **Sphenoidal Bone**

- Patterns of pneumatization and septation of the sphenoidal sinus, (Banna, Olutola), 291

# **Spinal Arteriovenous Malformation**

- Spinal meningeal AVM supplied from the internal iliac artery associated with tethered cord syndrome in an adult: case report, (Wortsman, Chui, Gray, Tucker), 323

# **Spinal Trauma**

- Radiology of spinal trauma — practical experience in a trauma unit, (Kassel, Cooper, Rubenstein) 189

# **Splenectomy**

- Polyarteritis nodosa in hairy cell leukemia, (Thorwarth Jr., Jaques, Orringer), 151

# **Stomach**

- Gastroparesis diabetorum, (Cho, Turner, Henry), 32
- Opportunistic gastritis in graft-versus-host disease, (Hochhauser, Thompson, Somers), 316

# **Streak Artifact**

- Fluid-level motion artifact in computed tomography, (Scott, Payne, Pinstein), 294

# **Stricture**

- Use of contrast through a fiberoptic colonoscope for demonstration of a colonic stricture, (Flak, Freeman, Masterson), 62

# **Style**

- Style, (Lentle), 47

# **Subtraction**

- Digital angiography: current status, (Robillard, Roy, Garland, Sylvestre), 95

# **Swan-Ganz Catheter**

- Arteriography in catheter-induced rupture of the pulmonary artery, (Hamilton, Thompson, Jamieson, Turnbull), 326

**Systematic Care**

- A trauma centre — what is involved, (McMurtry, Nelson), 163

**Tethered Cord**

- Spinal meningeal AVM supplied from the internal iliac artery associated with tethered cord syndrome in an adult: case report, (Wortzman, Chui, Gray, Tucker), 323

**Thorax**

- Cystic hamartoma of the lung, (Demos, Armin, Chandrasekhar, Barron), 149

**Thrombophlebitis**

- Gravity large field phlebography of the limbs, (Roy, Robillard, Fontaine, Galand), 90

**Thymus**

- Pitfalls to avoid: a chest mass in a tachypneic child, (Patriquin), 301

**Tomography**

- Acetabular fracture assessment with computerized tomography, (Rubenstein, Kellam, McGonigal), 19
- CT findings in postpartum renal cortical necrosis, (Laupacis, Ulan, Rankin, Stiller, Keown), 53
- Postoperative residual ovary syndrome: an uncommon cause of pelvic mass, (Gray, St. Louis, Grosman, Elliott, Au), 56
- Computed tomography in staging primary uterine cervical carcinoma, (Poon), 99
- CT of the cranium in head injury, (Cooper, Kassel), 167
- Radiologic studies of facial trauma associated with a regional trauma centre, (Kassel, Cooper), 178
- Radiology of spinal trauma — practical experience in a trauma unit, (Kassel, Cooper, Rubenstein), 189
- Radiographic assessment of pelvic trauma, (Rubenstein), 228
- Urinary tract trauma, (Campbell), 237

**Tracheal Bronchus**

- Congenital lobar emphysema with tracheal bronchus, (Keller), 306

**Tracheobronchial Rupture**

- The radiology of blunt chest trauma, (Shulman, Samuels), 204

**Transillumination**

- Breast light scanning: a real-time breast-imaging modality, (McIntosh), 288

**Trauma**

- The disparate diameter — a sign of rotational deformity in fractures, (Naimark, Kossoff, Leach), 8
- Acetabular fracture assessment with computerized tomography, (Rubenstein, Kellam, McGonigal), 19
- Subselective embolization for non-neoplastic conditions of the kidney, (Morris, Cuz, Culham), 103
- Optimal radiography of the acutely injured shoulder, (Flinn, MacMillan Jr., Campbell, Fraser), 128
- Trauma centre — a radiological perspective, (Campbell), 161
- A trauma centre — what is involved, (McMurtry, Nelson), 163
- CT of the cranium in head injury (Cooper, Kassel), 167
- Radiologic studies of facial trauma associated with a regional trauma centre, (Kassel, Cooper), 178
- Radiology of spinal trauma — practical experience in a trauma unit, (Kassel, Cooper, Rubenstein), 189
- The radiology of blunt chest trauma, (Shulman, Samuels), 204

- Angiography in the diagnosis and treatment of trauma, (Saibil, Maggisano, Witchell), 218
- Radiographic assessment of pelvic trauma, (Rubenstein), 228

**Trauma Centre**

- A trauma centre — what is involved, (McMurtry, Nelson), 163

**Tropical Diseases**

- Dracunculose ou filariose de Médine. A propos de deux cas, (Azouz, Jean), 308

**Tumor**

- Echographic demonstration of an oncocyoma, (Lafortune, Breton), 144
- Computed tomographic diagnosis of a pedunculated fibrous mesothelioma, (Weisbrod, Yee), 147

**Ultrasonography**

- Ultrasonographic assessment of hydronephrosis of pregnancy, (Anderson, Jones, Standen), 29
- Postoperative residual ovary syndrome: An uncommon cause of pelvic mass, (Gray, St. Louis, Grosman, Elliott, Au), 56
- Ultrasonic demonstration of appendicolith, (Forel, Filiatrault, Grignon), 66
- The non-visualized gallbladder by ultrasonography implications and differential diagnosis, (Hutton, Lamki, Rankin), 140
- Echographic demonstration of an oncocyoma, (Lafortune, Breton), 144
- "Micro-gallbladder" — a clue to cystic fibrosis, (Kramer, Karasick, Karasick), 271
- Pitfalls in ultrasonographic diagnosis with fatty infiltration of the liver, (Hutton, Rankin), 303
- Neonatal ileocolic intussusception with enterogenous cyst: ultrasonic diagnosis, (Pandher, Sauerbrei), 328

**Undergraduate Education**

- Undergraduate radiology clerkship: the Université de Montréal program, (Dussault, Raymond-Tremblay, Lafortune, Saint-Georges, Beauchamps, Perreault, Saltiel), 133

**Uric Acid**

- Danger of urography in hyperuricemic children with Burkitt's lymphoma, (Mandell, Swacus, Rosenstock, Buck), 273

**Urography**

- Ilio-psoas abscess in Crohn's disease, (Gray, St. Louis, Grosman, Newman), 36
- Urinary tract trauma, (Campbell), 237
- Danger of urography in hyperuricemic children with Burkitt's lymphoma, (Mandell, Swacus, Rosenstock, Buck), 273

**Uterine Neoplasms**

- Computed tomography in staging primary uterine cervical carcinoma, (Poon), 99

**Veins**

- Gravity large field phlebography of the limbs, (Roy, Robillard, Fontaine, Galand), 90

**Virilizing Ovarian Tumors**

- <sup>131</sup>I-iodocholesterol (NP-59) scintigraphy in adrenocortical diseases, (Taillefer, Soucy, Eybalin, Levasseur), 120

**Water Soluble Contrast**

- Use of contrast through a fiberoptic colonoscope for demonstration of a colonic stricture, (Flak, Freeman, Masterson), 62
